GUIDELINES FOR ADVERSE WEATHER CONDITIONS

Glen Urquhart Childcare Centre follows Glen Urquhart High School guidance if there is a risk of closure due to adverse weather conditions.

Schools now have a dial-in service if there is a risk of closure due to adverse weather.

You can access this service by;

- Dialing Highland Councils access number 0800 564 2272
- Then enter the council code 04 then the schools own pin number 1060
- You have two attempts to enter the pin number. If you get it wrong you will be disconnected after a second attempt. If this happens, check the number and redial.
- You will now hear the school's name. GLEN URQUHART HIGH SCHOOL. Ensure this is correct before going on.
- You will now be taken to the main menu where you will be given four options;

Press 1 to hear the High School's message about the adverse weather e.g. whether or not they will be closed.

If the message informs you that the High School is closed the Childcare Centre will also be closed until the message informs you otherwise.

Moray Firth Radio and BBC Radio Highland also give regular updates on such closures so again if you hear that the High School is closed this will mean the Childcare Centre will be as well.
